

大梅沙京基洲际度假酒店 (原名:大梅沙京基喜来登度假酒店) 景观提升

InterContinental Shenzhen Dameisha Resort (previously named: Sheraton Dameisha Resort) Landscape Upgrade

中国 广东 深圳

京基集团

Shenzhen, Guangdong, China

Kingkey Group

普利斯设计集团和客户一起重申了以前酒店客人与景观互动的情况,并以此作为泳池重建及功能/活动空间设置的设计方向。

泳池空间的西端有一个大型的休闲游泳池,泳池上有吧台,以及一直延伸到海滩边的日光浴亭。该区域与内部功能空间相通,因此我们加强了这里的铺装,方便婚礼、公司活动等集体活动的举办。泳池的中间部分的南侧为无边际状,可以看到大海以及更远处的景色。这里也包含了通往海滩的多个入口。东端的泳池有一个带有水滑梯和喷泉的大型儿童泳池,并设有家长休息的区域。他们可以在这里看着孩子们玩耍。重建后的泳池拥有众多休息区和休闲区,并取得了巨大的成功。将来,它将继续为酒店客人提供多种休闲娱乐机会。

The opportunity to redevelop the pool allowed the Client and Place Design Group to explore the ways in which the Hotel guests had previously engaged with the landscape. This provided direction for the revised pool and a multitude of function / activity spaces to be incorporated.

The western end of the pool space has a large recreational swimming pool with swim up bar and sunning pavilions to the beach edge. As this area links to an internal function space the paved areas were enhanced to allow for group functions such as weddings and corporate event spaces. The central section of the pool has an infinity edge to allow views across and out to the ocean and multiple access points to the beach were also incorporated. The eastern edge of the space contains a large children's pool with water slides and fountains with rest areas provided for parents as they supervise their children at play. With numerous areas to lounge and relax the new pool area has already been a great success and will continue to provide recreation opportunities for years to come.

大梅沙京基喜来登度假酒店 (现名:大梅沙京基洲际度假酒店) 为普利斯设计集团2004年作品。2018年9月受强烈台风“山竹”的影响,酒店临海区遭受了严重的破坏。灾后,客户再次委托普利斯设计集团进行泳池区的重建。经过与客户及各方探讨,从酒店的新需求出发,我们重新设计了一个现代简洁、舒适优雅的度假型酒店花园,并确保在技术上能应对未来的恶劣天气。

The Sheraton Dameisha Resort (now named: InterContinental Shenzhen Dameisha Resort) project was initially designed by Place Design Group in 2004. In September 2018 the Super Typhoon Mangkhut caused serious damage to the pool area and the client re-engaged Place Design Group to design a modern, comfortable and elegant resort-style hotel garden based on the current needs of the hotel, ensuring the refurbished one can technically handle extremes of weather in the future.
