景观设计采用新颖的手法,诠释 了对于重要历史建筑进行高标 准再开发的独特方式。

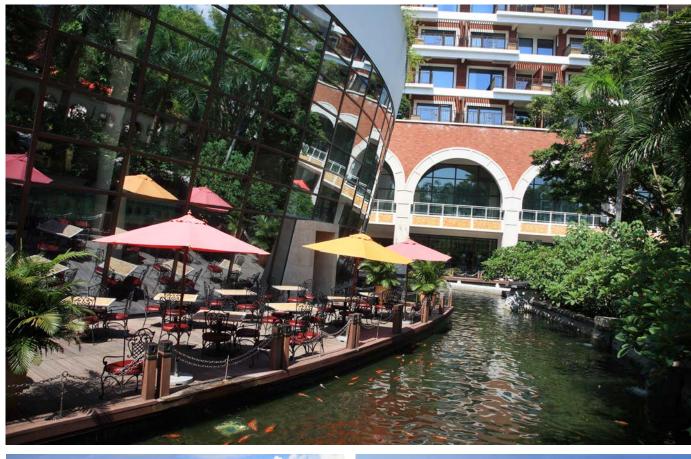

深圳华侨城洲际大酒店原址为深圳第一家四星级酒店——深圳湾大酒店。普利斯设计集团为此具有历史意义的酒店再开发项目提供景观设计服务,按客户要求为项目打造了7个以西班牙为主题的不同景观区域。各个区域都有一个特定的功能主题,以中央泳池区为中心,泳池区陈列了一艘全尺寸的西班牙大帆船。普利斯设计集团打造的几处主题水景贯穿整个项目中,与具有历史意义的外立面的建筑融为一体。

The significance of the historical architecture was honoured through innovative design for this high profile redevelopment.

The InterContinental sits within the site of Shenzhen's first four star hotel. Place Design Group was set a task of creating seven distinct landscape areas. Each area was designed with a unique function, all culminating in a central pool area which showcases a full size Spanish galleon. Our team created several themed waterplay area throughout the project which integrated the historic architecture of the hotel's original facade.
