景观设计将项目与后方的森林环境和城市建筑物融为一体，成为一个与环境和谐共处的住宅社区。

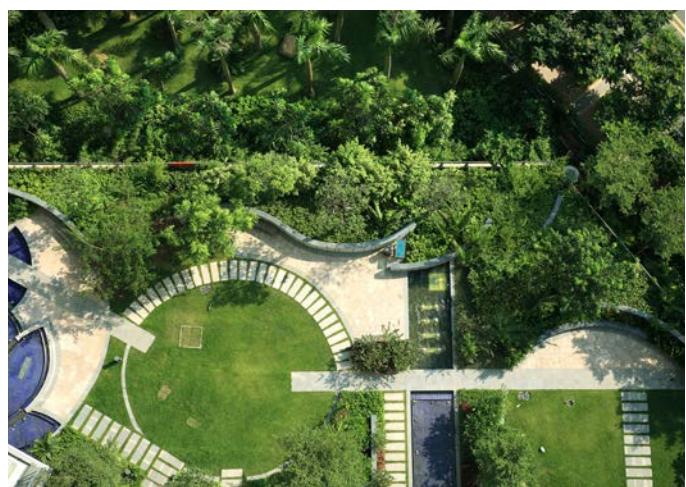

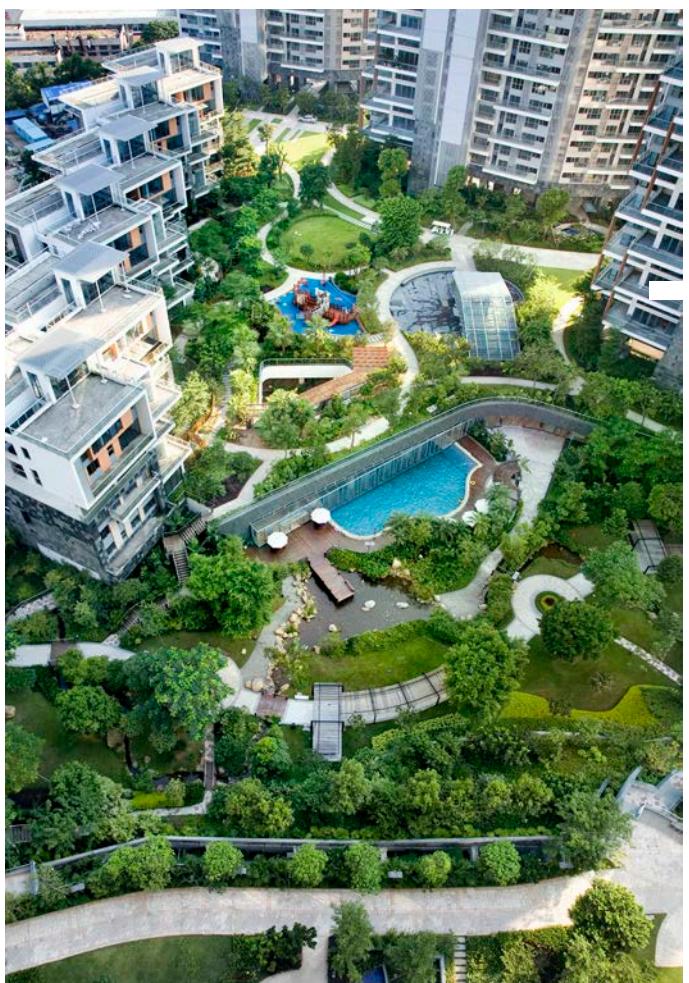

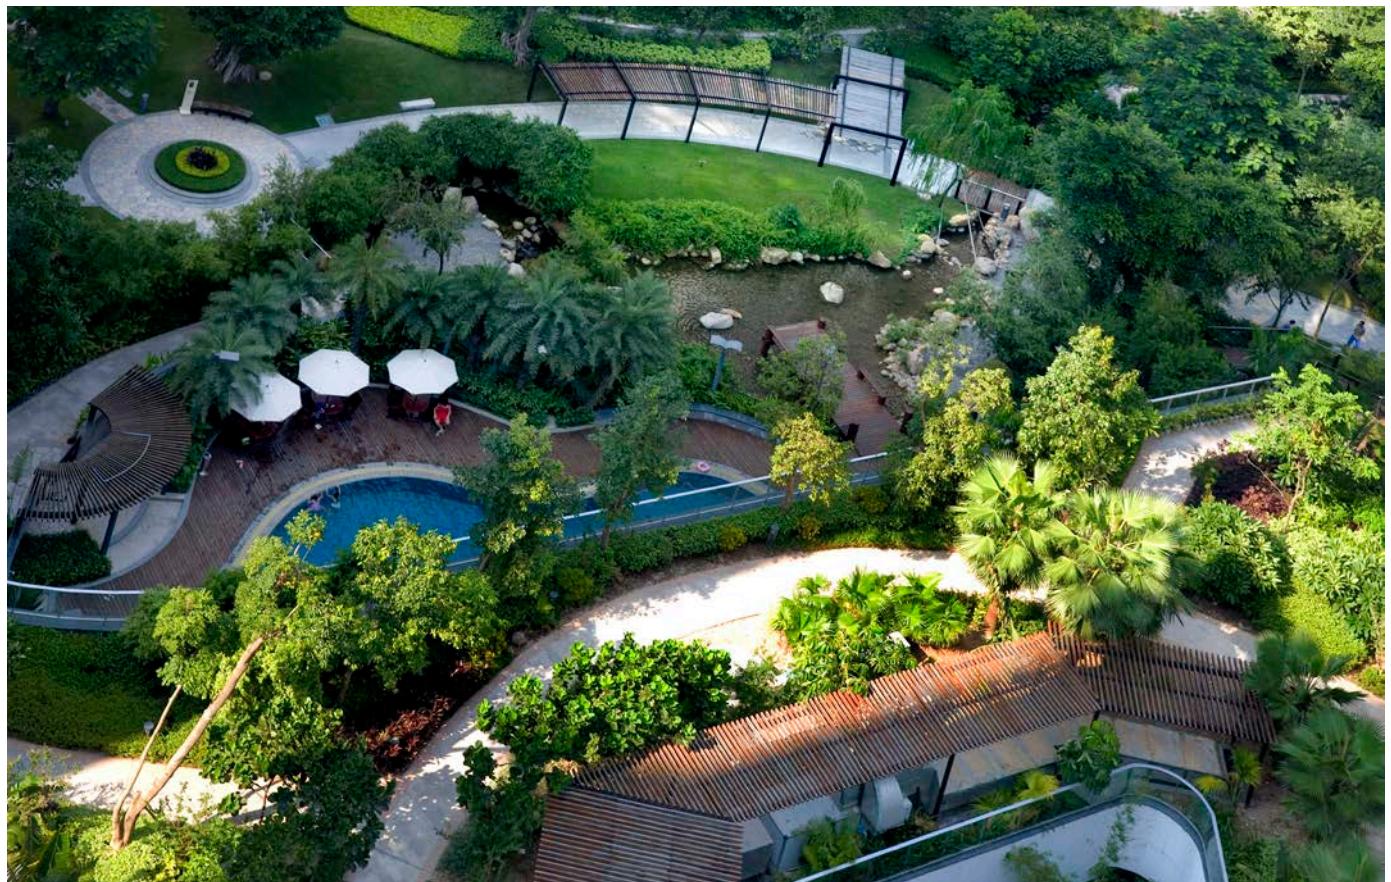

半山海景兰溪谷2期属高端住宅开发项目，背靠蛇口南山。普利斯设计集团为该项目提供完整的景观设计服务，根据客户诉求，将项目设计主题定位为“从山脉到海洋”。私人住宅、会所及其配套与广阔的开放式花园和公共绿地共同打造而成的景观设计为住户实现了能在这种山地地形上所能领略到的各种景观特征。项目施工历时两年，为深圳此类型住宅开发建立了新的标杆。

Place Design Group achieved a harmonious environmentally integrated development linking existing bushland and the city.

Mont Orchid Riverlet Stage 2 is a 5.7 hectares of high-end residential development backing onto Shekou's Nan Mountain. Commissioned to provide the full scope of landscape architectural services, Place Design Group utilised the theme "from mountain to sea". Two years in construction, the project has set a new benchmark for residential development in Shenzhen.
